

St. Mary's Vestry Meeting

March 17, 2013

The meeting was opened at 9:15 a.m. by Sue Faulkner. It will be a short meeting to deal with one business matter.

Present: Jan Denson, Sue Faulkner, Linda Joseph, C.M. Crawford, Ann Gilmore, Jack Newsome, Robert Oliver (who has the proxy of Abel Turner), Carol Brown (clerk)

Absent: Tom Hart

C.M. Crawford presented the matter. Should the Vestry allow the contractor for the Fourth Street renovation to use our lot across the street from the church to park vehicles and materials during construction?

Robert Oliver said a few Vestry members had met with the workers and they seemed concerned about the protection of our building. Perhaps they will be more careful around our church if we are cooperative with them. He suggested that Sue Faulkner could work out the details with the contractor.

Robert Oliver moved to allow the contractor to use our lot. The motion was seconded by Jan Denson. All vote yea.

Rev. Susie arrived and a prayer was said for this called meeting and a prayer closed the meeting.
